

Covid Inspired 3D Art Reflecting This Challenging Time

Challenge: Create a 3D (or 2D) artwork in response to what is happening due to Covid19. Consider how Covid19 is impacting you, your community, our country or our world. This could be the impact on an individual, group or society.

Enduring Understanding: Expressing your Artistic Voice

- Artists express ideas, values, feelings, beliefs and ideas important to them. This can to help them process, understand, make commentary and/or share the impact of events and experiences.

Materials: Use materials and art supplies available to you

Resources:
