

Exploring Art Challenges

At Home Learning and Practice

1. COVID 19 Visual Challenge:

- **Challenge:** Create a 2D or 3D artwork that is in response to current world events.
- You may express
 - how it makes you feel
 - how it has brought out the best or worst in humanity
 - how our society tends to live in a bubble until somehow that bubble is popped
 - or other response to the prompt
- Use the supplies you have around you
- Use your imagination to share your voice through art

2. Clay Artwork Planning:

- Brainstorm/Plan for a clay artwork you would like to make. If possible “steal like an artist” by looking at clay ideas online. List 15 ideas, make 6 small sketches and then do a detailed plan with
 - One large detailed sketch
 - One supporting sketch showing an alternate view
 - Include Detailed notes of how you will create your artwork

3. Wacky Drawing Prompt Challenge:

- Each week, select a humorous prompt from the list and draw it using the media of your choice

4. Watch an Art Inspired Movie or TV show and write a paragraph on how creativity, imagination or problem solving were important to the main character(s), plot or success of this show/movie. Here is a list of suggestions.
