Creating Beauty with Pattern and Repetition using items from nature

Visual Challenge: Make a visually interesting image by arranging nature objects by attributes like color, shape and or size.

Enduring Understandings:

Using Pattern and Repetition to Show Unity

- Artists experiment with forms, structures, materials and concepts and artmaking approaches
- Artists use the elements and principles of design such as repetition and pattern to create dynamic, visually interesting compositions

Materials: Use objects in your home and/or outside

Materials: Objects you have on hand at home.

Steps

1. Research ideas (see above)
2. Go outside and collect objects. Then experiment with arranging them in different ways.
3. When you have created an arrangement you like, take at least 2 PHOTOS to upload to Microsoft TEAMS
 - One with YOU AND YOUR Artwork!
 - One of your Artwork (non-distracting background is best)
4. Reflect on your artwork [REFLECTION FORM](#)
